

Information for Patients and Families

The American Association for Pediatric Ophthalmology and Strabismus (AAPOS) is a national and international organization of medical doctors (MDs), who completed specialized training in the medical and surgical treatments of all pediatric ophthalmologic diseases and adults with eye misalignment.

The organization's goals are to advance the quality of children's eye care, support the training of pediatric ophthalmologists, support research activities in pediatric ophthalmology, and advance the care of adults with strabismus.

Information concerning pediatric eye problems and adult strabismus can be obtained by visiting the official website at:
http://www.aapos.org/terms_faqs.

Topics

Abnormal Head Positions	Conjunctivitis	Infantile Esotropia	Pseudostrabismus
Accommodative Esotropia	Convergence Insufficiency	Intraocular Lens Implant (IOL)	Pterygium
Achromatopsia	Corneal Abrasions	Iritis	Ptosis
Adjustable Sutures in Strabismus Surgery	Cortical Visual Impairment	Juvenile Idiopathic Arthritis	Refractive Errors
Adult Strabismus	Dermoid Cyst	Keratoconus	Retinitis Pigmentosa
Albinism	Diabetes Mellitus and Diabetic Retinopathy	Learning Disabilities	Retinoblastoma
Allergic Conjunctivitis	Dilating Eye Drops	Leber's Congenital Amaurosis	Retinopathy of Prematurity (ROP)
Amblyopia	Dissociated Vertical Divergence	Leukocoria	Retinoschisis
Anatomy	Down Syndrome	Marfan Syndrome	Retinoscopy
Anesthesia for Adults Having Eye Surgery	Duane Syndrome	Molluscum Contagiosum	Rubinstein-Taybi Syndrome
Anesthesia for Children Having Eye Surgery	Endophthalmitis	Monocular Elevation Deficiency/ Double Elevator Palsy	Shaken Baby Syndrome
Aniridia	Esotropia	Myasthenia Gravis	Sixth Nerve Palsy
Anisocoria and Horner's Syndrome	Exotropia	Nasolacrimal Duct Obstruction	Stickler Syndrome
Blowout Fracture	Eye Safety	Neurofibromatosis	Strabismus
Brown Syndrome	Fetal Alcohol Syndrome	Nystagmus	Strabismus Measurements
Capillary Hemangioma	Fourth Nerve Palsy	Optic Nerve Atrophy	Strabismus Surgery
Cataract	Glasses Fitting for Children	Optic Nerve Drusen	Sturge-Weber Syndrome
Cellulitis	Glasses for Children	Optic Nerve Hypoplasia	Third Nerve Palsy
Chalazion	Glaucoma in Children	Optic Neuritis	Thyroid Eye Disorders
Coats Disease	Headaches in Children	Orthoptist/ Orthoptics	Toxoplasmosis
Coloboma	Herpes Eye Disease	Patching Tips for Parents	Vision Screening
Cranial Nerve Palsy General Information	HypHEMA	Pediatric Ophthalmologist	Vision Therapy
	Idiopathic Intracranial Hypertension		Williams Syndrome
