Phone (_____) _____ - _____

Ever had Eye Exam? N Y... Result: _____

Wears Glasses? N Y (Keep glasses on for this Home check)

Patch left eye. Stand 10 feet from child. present Four HOTV letters.

Missed 2 or more ? If so, recheck 3rd grader with Pinhole card.

Passed 3 or more ? GREAT!

Patch right eye. Stand 10 feet from child. present Four HOTV letters.

Missed 2 or more ? If so, recheck 3rd grader with Pinhole card.

Passed 3 or more ? GREAT!Your child passed this acuity Screen!

If your child missed two or more on the right or left eye , Please call your nearest convenient eye doctor for a "Confirmatory Eye Exam."

Instructions:

Patch non-tested eye

20/40 for Kindergarten and younger

20/32 for 3rd grade, 1st and 2nd grades

Construct HOTV "Test Box"

Have child match with the test box held 2-3 feet to familiarize.

Then move back so test-box is 10 feet from the child.

Test 1st HOTV letter. Then 2nd, 3rd and 4th.

If child misses 2 or more- refer for eye exam.

If child passes at least 3 of 4, then switch patch to other eye.

Move back 10 feet.

Retest 4 HOTV letters different order.

If child misses 2 or more, refer for eye exam

If child passes 3 of 4, both eyes, GREAT!

For 3rd graders, place "Pinhole" card over eye for retest- refer only those who fail with pinhole.(ball-point pen poke through card)
