You are warmly welcomed to join us, in person or in spirit, for a celebration of Kurt's resurrection into eternal life and a commemoration of his life here with us. In honor of his hope and joy, please wear colors (not black) on this occasion.

We are thankful to our pastor, the Rev. Dr. Mark W. Johnson, and our organist, the Rev. Doug Hollida, for leading us in worship and song. Each of them contributed so much to making a spiritual home for Kurt in his last years here with us, and we know he would be delighted by their presence on this day.

In lieu of flowers, we invite you to support one of the good causes that have always been close to Kurt's heart.
